

Tell us what you think about plans for your Doctor's Surgery

Why will there be changes?

- Doctors and healthcare staff at your surgery are working hard so that everyone gets the care they need
- This is difficult because there are more people living in your area than there used to be
 - Surgeries are also much busier now because they offer lots of different support
- The changes will help your surgery carry on giving you the support and services you need

What are the changes?

- We want to join these three surgeries together
 - Harbour View Healthcare
 - Manor Practice
 - Northbourne Medical Centre
- This is called a Merger
- The new name will be **Adur Health Partnership**

What will the changes mean for me?
